

Year 3/4 Baldock 2012

Labelling Information for Year 3/4 Baldock 2012

Dear Parents / Caregivers and Students,

Welcome back to the new school year. I look forward to catching up with you over the coming days or meeting you for the first time. I am really looking forward to teaching year 3/4 this year and working with a great group of students.

In the student stationery packs you will find pencils, ruler and textas etc. All items in this bag will need to be clearly labelled with your child's name. An appropriate pencil case that is capable of holding your child's pencils, ruler and textas etc. will be needed. This will also need to be appropriately labelled.

You will also find 4 different coloured display books and 4 packs of refills for the display books. Could you please add one of the refill packs to each of the display books. Please be careful it can be a bit tricky.

All books and other stationery items needed for the second half of the year will be kept at school. All the students' books will have special covers and most will be able to be covered with plastic A4 covers at school. Those books that are unable to be covered with plastic covers will be sent home to be covered. I would greatly appreciate it if these books could be covered in clear contact. The books to be covered at home are likely to be sent home during the first week.

Printed on the back of this letter is a list of the stationery and other items your book money has purchased. I keep in storage the stationery supplies needed for the second half of the year. This stationery will be handed out at the beginning of Term 3.

Again I look forward to talking with you in the coming days.

Regards,

Scott Baldock

Dear Students,

Please feel free to check out your classroom blog to get a sneak preview of your classroom and to read some of the posts already there. I invite you to leave a comment on some of the posts you'll find there.

*Regards,
Mr B.*
